## RULES AND REGULATIONS:

- Cart path only: When necessary, the course superintendent may require that all cart traffic be restricted to the cart paths. This is necessary to protect the golf course and the golfers as well. When under cart path restriction, all golf cars **MUST REMAIN ON THE CART PATH, NO EXCEPTIONS.**
- Green and tee complex proximity: Golf cars must remain on cart path when located near the tee boxes and must return to the cart path from the fairway before reaching the golf cart directional markers located in the fairway approximately 40 feet from the green. Golf cars will not be allowed behind or on opposite sides of the green complex for any reason.
- Reservations: All tee time reservations made under the annual pass holders name are the responsibility of that specific pass holder. **Annual Pass Holders will be required to post a valid credit card with the golf shop. Between November 1<sup>st</sup> and May 15<sup>th</sup> tee time reservations that are unused, abandoned or no showed without 24 hour cancellation will be billed to the annual pass holder credit card held on file.**
- Extra Play Days: Annual Pass holders who do not have a 7 day membership can play on Saturday and Sunday for our lowest advertised rate. This usually equates to 30% off the RACK rate for the weekend.
- Hillcrest Golf Club reserves the right to suspend golfing privileges to any individual who, in the decision of the club, does not comply with the guidelines and rules of the club with no refund or return of annual pass payment.

## TEE TIME AVAILABILITY:

Hillcrest Golf Club will make the **First three tee times of First hour** available to annual pass holders. Annual Pass holders can make tee times up to 8 days in advance. (Public has 7 days). Additional tee time availability will be based on the saturation of the tee sheet. Hillcrest Golf Club reserves the right to schedule golf events (tournaments) as far in advance as needed and also reserves the right to change the availability of tee times to the general public at any time.
